7. The Court conducted its audit in accordance with the IFAC and ISSAI International Auditing Standards and Codes of Ethics. the transactions underlying them. The procedures selected depend on its audit judgement including the assessment of the risks of material misstatement of the accounts or of illegal or irregular transactions, whether due to fraud or error. In making those risk assessments, internal control relevant to the entity’s preparation and presentation of accounts is considered in order to design audit procedures that are appropriate in the circumstances. The Court’s audit also includes evaluating the appropriateness of accounting policies used and, the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the accounts.

9. The Court believes that the audit evidence obtained is sufficient and appropriate to provide a basis for the opinions set out below.

**Opinion on the reliability of the accounts**

10. In the Court's opinion, the Agency’s Annual Accounts present fairly, in all material respects, its financial position as of 31 December 2008 and the results of its operations and its cash flows for the year then ended, in accordance with the provisions of its Financial Regulation.

**Opinion on the legality and the regularity of the transactions underlying the accounts**

11. In the Court’s opinion, the transactions underlying the annual accounts of the Agency for the financial year ended 31 December 2008 are, in all material respects, legal and regular.

12. The comments which follow do not call the Court’s opinions into question.

---

11 The Final Annual Accounts were drawn up on 7 May 2009 and received by the Court on 16 June 2009. The Final Annual Accounts, consolidated with those of the Commission are published in the Official Journal of the European Union by 15 November of the following year. These can be found on the following website [http://eca.europa.eu](http://eca.europa.eu) or [www.europa.eu/agencies/executive_agencies/eacea/index_en.htm](http://www.europa.eu/agencies/executive_agencies/eacea/index_en.htm).
COMMENTS ON THE BUDGETARY AND FINANCIAL MANAGEMENT

13. The appropriations carried forward to 2009 amounted to 6,2 million euro (16 % of the budget). An analysis of the commitment carried forward showed that approximately one million euro of these appropriations concern activities not directly related to 2008. This situation is at odds with the principle of annuality.

This report was adopted by the Court of Auditors in Luxembourg at its meeting of 8 October 2009.

1) In accordance with its mandate and in compliance with the principle of sound financial management, the Executive Agency has achieved the management of certain strands of the new generation of programmes (2007-2013) in the educational, audiovisual and cultural fields, including studies, national organisations and additional calls for proposals. The Executive Agency also implemented the actions delegated from 2007 in the area of external cooperation in higher education and training.
2) In parallel, the Agency pursued the management of the ongoing Erasmus Mundus programme (2004-2008) and the tasks aiming at the completion of the previous generation of programmes expiring end 2006.

THE AGENCY’S REPLIES

13. The appropriations carried forward to 2009 amounted to 6.2 million euro (16 % of the budget), which amounts to a reduction of 4 % when compared to 2008.

These appropriations cover the activities taking place in 2009 for which preparatory activities had commenced already in 2008.

 Nonetheless, the Agency will continue its efforts to reduce the volume of appropriations being carried over.
