

Erasmus Mundus Programme Guide What's new in the November 2013 edition?

The Programme Guide - dated November 2013 - makes minimal changes in relation to the previous edition (December 2012).

These new elements are valid for proposals to be submitted for the 2014 selection (Call for Proposals EACEA/18/13, deadline 3 March 2014).

- There are now 28 EU Member States (Croatia is no longer classified as a Western Balkans country).
- The deadline is changed. For Call for Proposals EACEA/18/13 the deadline is 3 March 2014.

Note that Call for Proposals EACEA/18/13 will only select Action 2 partnerships.
