The Multi-beneficiary Agreement

Actors

Project
- Beneficiaries
- Co-ordinator
  - Legal representative
- Co-beneficiaries
- Subcontractors
- Associated Partners

EACEA
- Project officer
- Financial officer
Multi-beneficiary agreement

Co-ordinator (Art 1.3)

- **Intermediary** between the Agency and the co-beneficiaries
  - Establishes communication between the Agency and the co-beneficiaries
  - Provides all necessary documents and information to the Agency and to the co-beneficiaries
- **Sole recipient of payment** → ensure that co-beneficiaries receive the payment
- Monitors budget
- Ensures that agreed actions are implemented
• Person that **signs** all legal documents
  Eg. Grant agreement, amendment requests

• **Always belongs to the co-ordinating organization**
• Person managing daily communication from and to the Agency
• Usually belongs to the co-ordinating organization
• Monitors the budget, controls the costs and the justifying documents
• Responsible for the implementation of the project
• Manages co-beneficiaries work and deals with problems between beneficiaries
Co-beneficiaries* (Art. 1.3)

- Share part of the budget
  - Receive part of the EU contribution
  - Contribute to the co-financing
- Are responsible for the financial contribution received
- Are co-responsible for the implementation of the project
- Report to the co-ordinator and transmit all justifying costs
- Audits can take place at their institution/organization

*Including third country participants (with budgetary restrictions)
Other project participants

Subcontractor

• Organisation/person that **does not belong to co-beneficiary organizations and performs specific tasks for which no competence exists amongst the co-beneficiaries.**

• **Project management** and the **general administration** of the project may **not be sub-contracted.**

Associated Partners

• Participate in project activities, but do not share part of the budget.

• Cannot be subcontracted
The Agency - EACEA

Actors

- Management of **centralized actions**
- Calls, selections, contracts, monitoring, acceptance, payments
- Responsible for the legal and financial compliance of the project

**Project officer:**
- Performs continuous monitoring of the project
- Acts as helpdesk during the project lifetime
- Validates the expert’s assessments of progress and final reports

**Financial officer:**
- Assesses the financial part of Progress and Final reports
- Acts as helpdesk concerning financial matters.
3. Monitoring
Ensure that:

- The goals will be achieved as scheduled
- The quality of products is good
- The financial and administrative regulations are respected
- The project’s evaluation supports the project work
- The dissemination and exploitation are efficient
Get insight of:

- The realisation of the work programme and budget
- Co-operation with and within the partnership
- Project’s management and administrative practices
- Project’s results

Give support in problematic issues and during preparation of the reports
Online support documents
- Project management information published on the website (contractual documents, handbook, guidelines)

Helpdesk
- Dialogue, telephone, letters, e-mails

Reporting
- Evaluation of progress and final reports – feedback (content & finance)

Meetings
- Coordinators’ meeting including workshops
- Visits to projects
- Thematic cluster meetings
- Attending key events organised by the projects

Follow-up
- Good practices in project management, dissemination
Positive Indicators

✪ Expert’s recommendations at selection stage followed
✪ Balanced work plan
✪ Active participation, clear management structure and division of tasks
✪ Project coordinators supported at institutional level for all aspects of project implementation
✪ Good internal/external communication (strategy, tools..)
✪ Web page as a dynamic tool for dissemination and promotion
✪ Highly engaged target groups and stakeholders
Negative Indicators

- Delays in work plan (e.g. partner withdrawal)
- Sleeping partners
- Very few activities implemented
- Poor dissemination plan
- No compliance with publicity clause
- Weak implementation of dissemination strategy from the project start
- No internal quality control / evaluation mechanisms
- Underestimation of accreditation problems (CD)
4. Amendments
Amendments (1)

Only in case of **ESSENTIAL** changes, duly thought through, that do not substantially modify the project

**How to make your request?**

- **Officially, in writing**
- **Before** the change occurs
- **At least one month** before the end of the eligibility period
- **Signed** by the **legal representative** of the beneficiary
- **Together with all necessary evidence / supporting documents**
Use the **Amendment request form** in the following cases:

- Change in partnership
  - Withdrawal or replacement of co-beneficiaries / partners
  - New co-beneficiaries joining the project
- Change of the coordinator or change of name / address of the coordinator (main beneficiary organisation)
- Changes to the eligibility period (may not exceed 6 months)
- Changes to the budget breakdown
- Change of bank account
- Changes to the work programme
For some changes, no need for specific template, just send an official letter & supporting documents:

- Change of legal representative of the beneficiary organisation
- Change of project managing organisation / project manager (if it is already a partner/co-beneficiary)

See Handbook, section 1.6
Budget structure

<table>
<thead>
<tr>
<th>Heading A</th>
<th>Direct costs</th>
<th>Staff</th>
<th>Total</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>Travel &amp; subsistence (item B.1)</td>
<td>160.000,00</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Equipment (item B.2)</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td>Subcontracting (item B.3)</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td>Other (item B.4)</td>
<td></td>
</tr>
<tr>
<td>Heading B</td>
<td>Direct costs (operational costs)</td>
<td>Indirect costs</td>
<td>14.000,00</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

- Total expenditures cannot be modified. Consequently, increase of heading A (Staff) implies decrease of heading B (Travel + Equipment + Subcontracting + Other) and vice versa.
- No transfer with indirect costs as these are a % of approved eligible final direct costs.

**Maximum grant cannot be modified.**
Amendment - Change to the budget breakdown (2)

- ONLY if transfer **exceeds 10% of the budget** heading for which the transfer is intended

**Example 1**
Increase of the budget allocated to "Staff" from 160,000 to 170,000 €
⇒ less than 10%
No amendment is necessary (GA article I.4.4)

**Example 2**
Increase of the expenses for operational costs (Travel & subsistence + Equipment + Subcontracting + Other) from 115,000 to 150,000 €
⇒ more than 10%

STOP
Formal amendment request is necessary

- ONLY if **justified** and consequence of change(s) in the work-programme
- Total budget, EU grant and maximum EU contribution cannot be modified
Amendments – Do’s and don’ts

Do’s
- Discuss amendments in advance with your project manager in case of doubt
- Submit amendments without delays
- Duly justify the reasons for the proposed changes (or request may be rejected)
- If possible, put together different issues in one amendment request

Don’ts
- Don’t submit amendment retrospectively
- Don’t add a new partner without clear / relevant tasks and added value to the project
- Don’t request budgetary changes at the end of the project just before reporting
- Don’t request prolongation of eligibility period few weeks before the end just because you cannot finish the project on time
5. Reports
Progress report

IF project duration > 18 month

Final report
