Getting involved
This document is the basic template for multi-beneficiaries grant agreements between the National Agency (NA) and the beneficiaries of a grant for a project under Erasmus+ Programme, where the beneficiaries of the grant are more than one organisation. Erasmus+ activities to which this template applies are:

- Key Action 1: mobility projects of national consortia in the fields of vocational education and training, higher education, school education and adult education, mobility projects in the youth field;
- Key Action 2: Strategic partnerships except projects exclusively between schools;
- Key Action 3: Structured dialogue in the youth field with 2 and more participating organisations

The footnotes are internal instructions for NAs only and will be deleted in the actual grant agreements used.

Options in [square brackets] not used will be deleted by NAs.

The template agreement date in the header must be kept across the document.
