The beneficiary must submit a request for payment of the balance within 60 calendar days following the end of the last reporting period.

This request must be accompanied by the following documents:

(a) a final report on implementation of the action (‘final technical report’), drawn up in accordance with Annex IV, containing:

   (i) the information needed to justify the eligible costs declared or the contribution requested on the basis of financing not linked to costs, unit costs and lump sums (where the grant takes the form of the reimbursement of unit or lump sum costs, of financing not linked to costs or of a unit or lump sum contribution, as provided for in Article 3.2(a)(ii) and (iii), (b), (c) or (e));

(b) In addition to the above mentioned documents, the beneficiary shall produce a public summary in English providing information about the results of its project. The summary must be included in the final report submitted to the Agency. The summary/report may be used by the Commission to provide information on the results of the projects. Additionally, the beneficiary may use the Creative Europe Project Results Platform, (https://ec.europa.eu/programmes/creative-europe/projects/) to disseminate project results and deliverables in accordance with the instructions provided therein.

   In the event of non-submission of the public summary, the Agency may suspend the time limit for payment in accordance with the provisions set out in Article II.24.2 of the Grant Agreement.

The beneficiary must certify that the information provided in the request for payment of the balance is full, reliable and true.

The beneficiary must also certify that the costs incurred can be considered eligible in accordance with the Agreement and that the request for payment is substantiated by adequate supporting documents that can be produced in the context of the checks or audits described in Article II.27.

I.4.5 Information on cumulative expenditure incurred

Not applicable.

I.4.6 Currency for requests for payment and financial statements and conversion into euro

Requests for payment and financial statements must be drafted in euros.

I.4.7 Language of requests for payments, technical reports and financial statements
All requests for payments, technical reports and financial statements must be submitted in English, or otherwise in French or in German.

ARTICLE I.5 — PAYMENTS AND PAYMENT ARRANGEMENTS

I.5.1 Payments to be made

The Agency must make the following payments to the beneficiary:

- one pre-financing payment

- one payment of the balance, on the basis of the request for payment of the balance referred to in Article I.4.4.

I.5.2 Pre-financing payment

The aim of the pre-financing is to provide the beneficiary with a float. The pre-financing remains the property of the European Union (‘the Union’) until it is cleared against interim payments or, if it is not cleared against interim payments, until the payment of the balance.

The Agency must make the first pre-financing payment of 70% of the maximum amount specified in Article I.3.1 to the beneficiary within 30 calendar days from the entry into force of the Agreement, except if Article II.24.1 applies.

I.5.3 Interim payment

Not applicable.

I.5.4 Payment of the balance

The payment of the balance reimburses or covers the remaining part of the eligible costs and contributions for the implementation of the action.

If the total amount of earlier payments is greater than the final amount of the grant determined in accordance with Article II.25, the payment of the balance takes the form of a recovery as provided for by Article II.26.

If the total amount of earlier payments is lower than the final amount of the grant determined in accordance with Article II.25, the Agency must pay the balance within 60 calendar days from when it receives the documents referred to in Article I.4.4, except if Article II.24.1 or II.24.2 apply.

Payment is subject to the approval of the request for payment of the balance and of the accompanying documents. Their approval does not imply recognition of the compliance, authenticity, completeness or correctness of their content.

The Agency determines the amount due as the balance by deducting the total amount of pre-financing and interim payments (if any) already made from the final amount of the grant determined in accordance with Article II.25.

The amount to be paid may, however, be offset, without the beneficiary’s consent, against any other amount owed by the beneficiary to the Commission or to an executive agency (under the EU or Euratom budget), up to the maximum amount of the grant.
I.5.5 Notification of amounts due

The Agency must send a formal notification to the beneficiary:

(a) informing it of the amount due; and
(b) specifying whether the notification concerns a further pre-financing payment, an interim payment or the payment of the balance.

For the payment of the balance, the Agency must also specify the final amount of the grant determined in accordance with Article II.25.

I.5.6 Interest on late payment

If the Agency does not pay within the time limits for payment, the beneficiary is entitled to late-payment interest at the rate applied by the European Central Bank for its main refinancing operations in euros (‘the reference rate’), plus three and a half points. The reference rate is the rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the Official Journal of the European Union.

Late-payment interest is not due if the beneficiary is a Member State of the Union (including regional and local government authorities and other public bodies acting in the name of and on behalf of the Member State for the purpose of the Agreement).

If the Agency suspends the time limit for payment as provided for in Article II.24.2 or if it suspends an actual payment as provided for in Article II.24.1, these actions may not be considered as cases of late payment.

Late-payment interest covers the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article I.5.8. The Agency does not consider payable interest when determining the final amount of grant within the meaning of Article II.25.

As an exception to the first subparagraph, if the calculated interest is lower than or equal to EUR 200, it must be paid to the beneficiary only if the beneficiary requests it within two months of receiving late payment.

I.5.7 Currency for payments

The Agency must make payments in euros.

I.5.8 Date of payment

Payments by the Agency are considered to have been carried out on the date when they are debited to its account.

I.5.9 Costs of payment transfers

Costs of the payment transfers are borne as follows:

(a) the Agency and/or the Commission bears the costs of transfer charged by its bank;
(b) the beneficiary bears the costs of transfer charged by its bank;
(c) the party causing a repetition of a transfer bears all costs of repeated transfers.
I.5.10 Payments to the beneficiary

The Agency must make payments to the beneficiary.

Payments to the beneficiary discharge the Agency from its payment obligation.

ARTICLE I.6 — BANK ACCOUNT FOR PAYMENTS

All payments must be made to the beneficiary’s bank account as indicated below:

Address of branch:

Precise denomination of the account holder:

Full account number (including bank codes):

Article II.9.2 shall not apply.

ARTICLE I.9 — INAPPLICABILITY OF THE NO-PROFIT PRINCIPLE

As an exception to Article II.25.3, the no-profit principle does not apply to the action.

ARTICLE I.10 – PUBLICITY OBLIGATIONS

For the purpose of Article II.8 of the grant agreement, relating to the publicity and use of the relevant logo, the beneficiary shall indicate in any communication or publication about the action, including its website, that the action has received funding from the European Union. This includes a mention of the development support on onscreen credits of the final produced project when applicable. Such acknowledgment shall be worded as follows: "with the support of Creative Europe - MEDIA Programme of the European Union" and be accompanied by the Creative Europe - MEDIA logo and the European flag. The beneficiary shall use the logos, trademarks or items created by the Agency for these purposes and include in the publications/catalogue of the action covered by this Agreement the text provided by the Agency.

The obligation to comply with the publicity provision set out in Article II.8 constitutes a substantial obligation. Without prejudice to the right to terminate the grant, in case of failure to fulfil this obligation, the Agency may apply a 20% reduction of the grant initially provided for.

The beneficiary undertakes to supply to the Agency one copy of all audiovisual works resulting from the development of the action on the appropriate platform.

ARTICLE I.11 — CONDITIONS OF THE CALL FOR PROPOSALS

The beneficiary shall ensure that the action complies with the eligibility criteria set out in the Call for Proposals EACEA 17/2019 and the guidelines throughout the execution of this grant agreement. This constitutes an "obligation" within the meaning of Article II.17.2.1, point (b) of this Grant Agreement.

ARTICLE I.12 — SETTLEMENT OF DISPUTES WITH THE NON-EU BENEFICIARY

This provision applies where the beneficiary is legally established in a country other than a Member State of the European Union (the ‘non-EU beneficiary’).

As an exception to Article II.18.2, any of the parties (the Agency or the non-EU beneficiary) may bring before the Belgian Courts any dispute between them concerning the interpretation, application or validity of the Agreement, if such dispute cannot be settled amicably.
Where one party has brought proceedings before the Belgian Courts, the other party may not bring a claim arising from the interpretation, application or validity of the Agreement in any other court than the Belgian Courts before which the proceedings have already been brought.

**ARTICLE I.13 —TECHNICAL AND FINANCIAL REPORTING – REQUESTS FOR PAYMENT AND SUPPORTING DOCUMENTS**

For the purpose of Article II.25.1(d) and the approval of the proper implementation of the corresponding tasks or part of the action as described in Annex I, the beneficiary shall provide the information and documents as stated in the Annex IV.

The requested outputs will reflect the progress made since the application stage in the two main areas of activities covered by the development action: the creative development and the financing as well as marketing research.

Upon declaration regarding the outputs listed under Annex IV, the final grant will be determined as follows:

Whereas the beneficiary delivers outputs in both categories listed below ("Creative Development" and "Financing and Marketing Research"), and that the total reaches

- at least 70% of the outputs as weighted below, 100% of the grant shall be paid;
- between 50 and 69% of the outputs as weighted below, 70% of the grant shall be paid;

Under this threshold and/or if the applicant delivers outputs in only one of the two categories below (even if in full), the beneficiary is deemed to have failed to prove the proper implementation of the corresponding tasks or part of the action, and the Agency reserves the right to terminate the Grant Agreement as stipulated under Article II.17 and to recover the amount paid as per Article II.26.
