---

\(^8\) Report of Factual Findings on the Final Financial Report – Type I- Guidance notes

The beneficiary with general accounts in a currency other than the euro must convert costs incurred in another currency into euros at the average of the daily exchange rates published in the C series of the Official Journal of the European Union (available at http://www.ecb.europa.eu/stats/exchange/eurofxref/html/index.en.html), determined over the corresponding reporting period.

If no daily euro exchange rate is published in the Official Journal of the European Union for the currency in question, conversion must be made at the average of the monthly accounting rates established by the Commission and published on its website (http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm), determined over the corresponding reporting period.

The beneficiary with general accounts in euros must convert costs incurred in another currency into euros in accordance with their usual accounting practices.

4.7 Language of requests for payments, technical reports and financial statements

All requests for payments, technical reports and financial statements must be submitted in English, or otherwise in French or in German.

ARTICLE 5 — PAYMENTS AND PAYMENT ARRANGEMENTS

5.1 Payments to be made

The Agency must make the following payments to the beneficiary:

- one pre-financing payment
- one payment of the balance, on the basis of the request for payment of the balance referred to in Article 4.4.

5.2 Pre-financing payment

The aim of the pre-financing is to provide the beneficiary with a float. The pre-financing remains the property of the European Union (‘the Union’) until it is cleared against interim payments or, if it is not cleared against interim payments, until the payment of the balance.

The Agency must make the pre-financing payment of EUR corresponding to 70% of the maximum amount specified in Article 3.1 to the beneficiary within 30 calendar days from the entry into force of the Grant decision except if General condition no 24.1 applies.

5.3 Interim payment

Not applicable

5.4 Payment of the balance

The payment of the balance reimburses or covers the remaining part of the eligible costs and contributions for the implementation of the action.
If the total amount of earlier payments is greater than the final amount of the grant determined in accordance with General condition n° 25, the payment of the balance takes the form of a recovery as provided for by General condition n° 26.

If the total amount of earlier payments is lower than the final amount of the grant determined in accordance with General condition n° 25, the Agency must pay the balance within 60 calendar days from when it receives the documents referred to in Article 4.4, except if General condition n° 24.1 or General condition n° 24.2 apply.

Payment is subject to the approval of the request for payment of the balance and of the accompanying documents. Their approval does not imply recognition of the compliance, authenticity, completeness or correctness of their content.

The Agency determines the amount due as the balance by deducting the total amount of pre-financing and interim payments (if any) already made from the final amount of the grant determined in accordance with General condition n° 25.

The amount to be paid may, however, be offset, without the beneficiary’s consent, against any other amount owed by the beneficiary to the Commission or to an executive agency (under the EU or Euratom budget), up to the maximum amount of the grant.

5.5 Notification of amounts due

The Agency must send a formal notification to the beneficiary:

(a) informing it of the amount due; and
(b) specifying whether the notification concerns a further pre-financing payment, an interim payment or the payment of the balance.

For the payment of the balance, the Agency must also specify the final amount of the grant determined in accordance with General condition n° 25.

5.6 Interest on late payment

If the Agency does not pay within the time limits for payment, the beneficiary is entitled to late-payment interest at the rate applied by the European Central Bank for its main refinancing operations in euros (‘the reference rate’), plus three and a half points. The reference rate is the rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the Official Journal of the European Union.

Late-payment interest is not due if the beneficiary is a Member State of the Union (including regional and local government authorities and other public bodies acting in the name of and on behalf of the Member State for the purpose of the Grant decision).

If the Agency suspends the time limit for payment as provided for in General condition n° 24.2 or if it suspends an actual payment as provided for in General condition n° 24.1, these actions may not be considered as cases of late payment.

Late-payment interest covers the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article 5.8. The Agency does not consider payable interest when determining the final amount of grant within the meaning of General condition n° 25.
As an exception to the first subparagraph, if the calculated interest is lower than or equal to EUR 200, it must be paid to the beneficiary only if the beneficiary requests it within two months of receiving late payment.

5.7 **Currency for payments**

The Agency must make payments in euros.

5.8 **Date of payment**

Payments by the Agency are considered to have been carried out on the date when they are debited to its account.

5.9 **Costs of payment transfers**

Costs of the payment transfers are borne as follows:

(a) the Agency and/or the Commission bears the costs of transfer charged by its bank;
(b) the beneficiary bears the costs of transfer charged by its bank;
(c) the party causing a repetition of a transfer bears all costs of repeated transfers.

5.10 **Payments to the beneficiary**

The Agency must make payments to the beneficiary.

Payments to the beneficiary discharge the Agency from its payment obligation.

Precise denomination of the account holder: […]

As an exception to General condition no. 25.3, the no-profit principle does not apply to grants the maximum amount of which, as laid down in Article 3.1, is lower than or equal to EUR 60 000.

For the purpose of General condition no. 8 of the grant decision, relating to the publicity and use of the relevant logo, the beneficiary shall indicate in any communication or publication about the action, including its website, that the action has received funding from the European Union. This includes a mention of the development support on onscreen credits of the final produced project when applicable. Such acknowledgment shall be worded as follows: "with the support of Creative Europe - MEDIA Programme of the European Union" and be accompanied by the Creative Europe - MEDIA logo and the European flag. The beneficiary shall use the logos, trademarks or items created by the Agency for these purposes and include in the publications/catalogue of the action covered by this Decision the text provided by the Agency.

The obligation to comply with the publicity provision set out in General Condition no. 8 constitutes a substantial obligation. Without prejudice to the right to terminate the grant, in case of failure to fulfil this obligation, the Agency may apply a 20% reduction of the grant initially provided for.
