GUIDELINES – EACEA 17/2017

1. INTRODUCTION – BACKGROUND

These guidelines are based on Regulation No 1295/2013 of the European Parliament and of the Council of 11/12/2013 concerning the implementation of a programme of support for the European cultural and creative sector (CREATIVE EUROPE)¹ and its corrigendum of the 27/06/2014 (OJ L189/260).²

The European Commission is responsible for the implementation of the Creative Europe Programme and for the decision to grant individual European Union funds. The Education, Audiovisual and Culture Executive Agency hereafter "the Agency" manages the Culture and MEDIA Sub-programme on behalf and under the supervision of the European Commission.

The MEDIA Sub-programme encourages European audiovisual festivals taking place in countries participating in the MEDIA Sub-programme which:

- demonstrate strong efficiency in audience development (especially toward young audience) by implementing activities before, during or after the event including such as: year-long activities and/or decentralisation to other cities (with smaller partner festivals nationally and/or cross-border) and/or any efficient outreach activities towards non-core film festival audience;
- demonstrate a commitment to innovative actions especially in the areas of outreach and audience development using the latest digital technologies and tools such as social media and

The Unique Registration Facility is a tool shared by other services of the European Commission. If an applicant already has a PIC that has been used for other programmes (for example the Research programmes), the same PIC is valid for the present call for proposals.

The Participant Portal allows applicants, to upload or update the information related to their legal status and attach the requested legal and financial documents (see section 14.2 for more information).

6. ELIGIBILITY CRITERIA

Applications which comply with the following criteria will be subject of an in-depth evaluation.

Applications from legal entities established in one of the following countries are eligible as long as all conditions referred to in Article 8 of the Regulation establishing the Creative Europe Programme are met:

- EU Member States and overseas countries and territories which are eligible to participate in the Programme pursuant to Article 58 of Council Decision 2001/822/EC;

The Agency may select proposals from applicants in non EU countries, provided that, on the date of the award decision, agreements have been signed setting out the arrangements for the participation of those countries in the programme established by the Regulation referred to above.

(Updated list of countries that fulfil the conditions referred to in Article 8 of the Regulation and that the Commission has started negotiations with can be found on the following link:

For applicants from the United Kingdom: Please be aware that eligibility criteria must be complied with for the entire duration of the grant. If the United Kingdom withdraws from the EU during the grant period without concluding an agreement with the EU ensuring in particular that British applicants continue to be eligible, you will cease to receive EU funding (while continuing, where possible, to participate) or be required to leave the project on the basis of Article II.16.2.1(a) of the grant agreement.

In order to assess the applicants' eligibility, the following supporting documents are requested:

- **private entity**: extract from the official journal, copy of articles of association, extract of trade or association register, certificate of liability to VAT (if, as in certain countries, the trade register number and VAT number are identical, only one of these documents is required),

Natural persons may **not** apply for a grant.

### 6.2 Eligible activities

Only applications submitted by eligible entities organising audiovisual festivals in countries participating in the MEDIA Sub-programme will be accepted.

- having a clear regulation/selection procedure.

A minimum of 70% of the eligible programming presented to the public during the festival OR a minimum of 100 feature films (or 400 short films – in case of short film festivals) must originate from countries participating in the MEDIA Sub-programme (see section 6.1) hereinafter referred to as “European Films”.

Within this "MEDIA Sub-programme countries" programming:

Activities must start during the following periods:

<table>
<thead>
<tr>
<th>Proposals submitted on 23 November 2017</th>
<th>Activity starting date</th>

</thead>
<tbody>
<tr>
<td></td>
<td>Between 1/05/2018 and 31/10/2018</td>
<td>12 months</td>
</tr>
<tr>
<td>Proposals submitted on 26 April 2018</td>
<td>Between 1/11/2018 and 30/04/2019</td>
<td>12 months</td>
</tr>
</tbody>
</table>

The period of the action\(^3\) starts 8 months before the start date of the activities\(^4\) and ends 4 months after this date. The duration of actions is 12 months.

However, if after the signing of the agreement or notification of the decision and the start of the action it becomes impossible for the beneficiary, for fully justified reasons beyond his control, to complete the action within the scheduled period, an extension to the eligibility period may be granted. A maximum extension of 6 additional months will be granted, if requested before the deadline specified in the agreement. The maximum duration will then be 18 months.

The following events are not eligible:

- Festivals dedicated to works that are not considered as eligible, such as commercials, live-broadcast events, TV series, music videos, video games, amateur films, mobile phone films, trailers and non-narrative artistic works.

\(^3\) **Action:** the "action" covers the preparation, the implementation and the dissemination of results of the event/activity for which the beneficiary receives financial support.

(c) where a natural person is concerned, unless the publication of personal data is exceptionally justified, inter alia, by the seriousness of the conduct or its impact on the Union's financial interests. In such cases, the decision to publish the information shall duly take into consideration the right to privacy and other rights provided for in Regulation (EC) No 45/2001.

Please note that the award of a grant does not establish an entitlement for subsequent years.

11. FINANCIAL PROVISIONS

11.1. General Principles

a) Non-cumulative award
An action may only receive one grant from the EU budget.
In no circumstances shall the same costs be financed twice by the European Union budget. To ensure this, applicants shall indicate in the application form the sources and amounts of European Union funding received or applied for the same action or part of the action or for its functioning during the same financial year as well as any other funding received or applied for the same action.

b) Non-retroactivity
No grant may be awarded retrospectively for actions already completed.
A grant may be awarded for an action which has already begun only where the applicant can demonstrate the need to start the action before the grant agreement is signed or the grant decision is notified.
In such cases, costs eligible for financing may not have been incurred prior to 8 months before the start date of the activity.

c) Co-financing
Co-financing means that the resources which are necessary to carry out the action may not be entirely provided by the EU grant.
Co-financing of the action may take the form of:
- the beneficiary's own resources,
- income generated by the action,
- financial contributions from third parties.
d) **Balanced budget**

The estimated budget of the action is to be attached to the application form. It must have revenue and expenditure in balance.

The budget must be drawn up in euros.

Applicants which foresee that costs will not be incurred in euros shall use the exchange rate published on the Infor-euro website available at: [http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm](http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm) on the date of the publication of this call for proposals.

e) **Implementation contracts/sub-contracting**

Where the implementation of the action requires the award of procurement contracts (implementation contracts), the beneficiary must award the contract to the bid offering best value for money or the lowest price (as appropriate), avoiding conflicts of interests and retain the documentation for the event of an audit.

Entities acting in their capacity of contracting authorities in the meaning of Directive 2014/24/EU⁶ or contracting entities in the meaning of Directive 2014/25/EU⁷ shall abide by the applicable national public procurement rules.

Sub-contracting, i.e. the externalisation of specific tasks or activities which form part of the action as described in the proposal and which cannot be performed by the beneficiary itself must satisfy the conditions applicable to any implementation contract (as specified above) and in addition to them the following conditions:

- it may only cover the implementation of a limited part of the action;
- it must be justified having regard to the nature of the action and what is necessary for its implementation;
- it must be clearly stated in the proposal or prior written authorisation from the Agency must be obtained.

f) **Financial support to third parties**

The applications may not envisage provision of financial support to third parties.

11.2 **Funding forms**

**Lump sums**

- General provisions

Under this system, approved by Commission Decision n° C(2013)9199 of 18 December 2013⁸, the grant is calculated on the basis of the following criteria: the number of European films in the programming, considering that 4 short films equal one long film.

---

⁸ Amended by Commission Decision n° C(2017)6118 of 14 September 2017
Calculation of the grant

- For all film festivals (except short films festivals):

A lump sum is set according to the number of European films in the programming, considering that 4 short films (films of less than 50 minutes) equal to one long film.

The grant is calculated on the basis of the following grid:

<table>
<thead>
<tr>
<th>Number of European films</th>
<th>Lump Sum in Euros</th>
</tr>
</thead>
<tbody>
<tr>
<td>&lt; 40 European films</td>
<td>27.000</td>
</tr>
<tr>
<td>40 - 60 European films</td>
<td>35.000</td>
</tr>
<tr>
<td>61 - 80 European films</td>
<td>41.000</td>
</tr>
<tr>
<td>81 - 100 European films</td>
<td>46.000</td>
</tr>
<tr>
<td>101 - 120 European films</td>
<td>55.000</td>
</tr>
<tr>
<td>121 - 200 European films</td>
<td>63.000</td>
</tr>
<tr>
<td>&gt; 200 European films</td>
<td>75.000</td>
</tr>
</tbody>
</table>

- For short film festivals:

A lump sum is set according to the number of European short films in the programming.

The grant is calculated on the basis of the following grid:

<table>
<thead>
<tr>
<th>Number of European films</th>
<th>Lump Sum in Euros</th>
</tr>
</thead>
<tbody>
<tr>
<td>&lt; 150 European films</td>
<td>19.000</td>
</tr>
<tr>
<td>150 - 250 European films</td>
<td>25.000</td>
</tr>
<tr>
<td>&gt; 250 European films</td>
<td>33.000</td>
</tr>
</tbody>
</table>

The amount requested must be based on the above formulas, in accordance with the activities/deliverables planned in the application.

The grant amount may not exceed the amount requested. Amounts are indicated in euros. Acceptance of an application by the Executive Agency does not constitute an undertaking to award a grant equal to the amount requested by the beneficiary.

Calculation of the final grant amount:

The final amount of the grant to be awarded to the beneficiary is established after completion of the action, upon:

- Reception of the final report on the implementation of the action and related documentation, including the festival’s latest official, printed catalogue and programme, and any other additional evidence that the Agency might request in order to validate the final report and determine the final grant;
- Verification of the implementation of the action which will be focused on the number of European films in the programming and the conditions mentioned in section 6.2.

In the event of non-execution or clearly inadequate execution of an activity planned in the application attached to the funding agreement/decision, the final grant will be reduced accordingly.

11.3. Payment arrangements

If specified in the grant decision/agreement, a pre-financing payment corresponding to 50% of the grant amount will be transferred to the beneficiary within 30 days either of the date when the last of the two parties signs the grant agreement or of the notification of the grant decision, provided all requested guarantees have been received.

The Agency will establish the amount of the final payment to be made to the beneficiary on the basis of the calculation of the final grant amount (see section 11.2 above). If the total of earlier payments is higher than the final grant amount, the beneficiary will be required to reimburse the amount paid in excess by the Commission through a recovery order.

11.4. Pre-financing guarantee

In the event that the applicant's financial capacity is not satisfactory, a pre-financing guarantee for up to the same amount as the pre-financing may be requested in order to limit the financial risks linked to the pre-financing payment.

The financial guarantee, in euro, shall be provided by an approved bank or financial institution established in one of the Member State of the European Union. When the beneficiary is established in a third country, the authorising officer responsible may agree that a bank or financial institution established in that third country may provide the guarantee if he/she considers that the bank or financial institution offers equivalent security and characteristics as those offered by a bank or financial institution established in a Member State. Amounts blocked in bank accounts shall not be accepted as financial guarantees.

The guarantee may be replaced by a joint and several guarantee by a third party or by a joint guarantee of the beneficiaries of an action who are parties to the same grant agreement.

The guarantee shall be released as the pre-financing is gradually cleared against interim payments or payments of balances to the beneficiary, in accordance with the conditions laid down in the grant decision/agreement.

12. PUBLICITY

12.1. By the beneficiaries

Beneficiaries must clearly acknowledge the European Union’s contribution in all publications or in conjunction with activities for which the grant is used.
In this respect, beneficiaries are required to give prominence to the name and logo of the programme on all their publications, posters, programmes and other products realised under the co-financed project.

To do this they must use the text, the logo and the disclaimer available at http://eacea.ec.europa.eu/about/eacea_logos_en.php, which will be provided by the Agency.

If this requirement is not fully complied with, the beneficiary’s grant may be reduced in accordance with the provisions of the grant agreement or grant decision.

12.2. By the Agency and/or the Commission

With the exception of scholarships paid to natural persons and other direct support paid to natural persons in most need, all information relating to grants awarded in the course of a financial year shall be published on the Internet site of the European Union institutions no later than 30th June of the year following the financial year in which the grants were awarded.

The Agency and/or the Commission will publish the following information:

− name of the beneficiary,
− locality of the beneficiary;
− the amount awarded,
− nature and purpose of the grant.

Upon a reasoned and duly substantiated request by the beneficiary, the publication shall be waived if such disclosure risks threatening the rights and freedoms of individuals concerned as protected by the Charter of Fundamental Rights of the European Union or harm the commercial interests of the beneficiaries.

12.3 Communication and dissemination

To maximise impact, projects should have a clear and strong strategy for communication and dissemination of their activities and results, and applicants must provide enough time and resources to communicate and interact appropriately with peers, audiences and local communities as appropriate.

Beneficiaries will be required as stipulated in the grant decision/agreement to produce a public summary/report in English providing information about their work and the results of their project. The public summary/report must be included in the final report submitted to the Agency. The report may be used by the Commission to provide information on the results of projects.

The Commission together with the Agency may identify good practices and prepare relevant dissemination materials to be shared within and across all participating countries and beyond.

Data and results from projects will be made freely available to be used by stakeholders, policy makers and others in a wide range of ways.

Beneficiaries may be required to attend and to participate in events organised by the European Commission or the Agency to share their experience with other participants and/or policy makers.
13. DATA PROTECTION

All personal data (such as names, addresses, CVs, etc.) will be processed in accordance with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the European Community institutions and bodies and on the free movement of such data.⁹

Unless marked as optional, the applicant's replies to the questions in the application form are necessary to evaluate and further process the grant application in accordance with the specifications of the call for proposals.
