GUIDANCE NOTE

TERMINOLOGY USED IN ERASMUS MUNDUS SCHOLARSHIP/FELLOWSHIP STATISTICS

**PROGRAMME COUNTRIES AND PARTNER COUNTRIES (HEADING 1)**

The Erasmus+ Programme Countries are:
- the Member States of the European Union,
- plus the following non-EU Programme Countries:
  - former Yugoslav Republic of Macedonia (fYRoM), Iceland, Liechtenstein, Norway and Turkey.

All other countries of the world are considered Partner Countries. Successful students/doctoral candidates coming from Programme and Partner Countries are financed under Heading 1.

**GEOGRAPHICAL WINDOWS (HEADING 4 & EUROPEAN DEVELOPMENT FUND)**

Additional scholarships are awarded to Partner Country Masters students coming from targeted regions of the world under EU external funding instruments, namely the following:

- European Neighbourhood Instrument (ENI)
- Development Cooperation Instruments (DCI)
- Partnership instrument (PI)
- European Development Fund (EDF)

**Selected**

The columns 'selected' refer to the students/doctoral candidates who have been awarded an Erasmus Mundus scholarship/fellowship.

**Applications**

The columns 'N° of applications' refer to the total number of students/doctoral candidates who have applied for scholarships/fellowships to the on-going Erasmus Mundus joint programmes. The students/doctoral candidates who were finally selected (columns 'selected') are included in these figures.

---

1. **12-months residency rule**: students with Partner Country citizenship who have carried out their main activity (studies, training or work) for more than a total of 12 months over the last five years in any Programme Country.

2. Students with a Partner Country citizenship who did not fall under the **12-months residency rule**.
