1. INTRODUCTION – BACKGROUND

These guidelines are based on Regulation No 1295/2013 of the European Parliament and of the Council of 11/12/2013 concerning the implementation of a programme of support for the European cultural and creative sector (CREATIVE EUROPE).¹

The European Commission is responsible for the implementation of the Creative Europe Programme and for the decision to grant individual European Union funds. The Education, Audiovisual and Culture Executive Agency hereafter "the Agency” manages the Culture and MEDIA Sub-programme on behalf and under the control of the European Commission.

General background information about the Creative Europe programme can be found on the following link: http://ec.europa.eu/programmes/creative-europe/index_en.htm

2. OBJECTIVES – THEMES – PRIORITIES

2.1. Objectives

Within the field of reinforcing the audiovisual sector's capacity, one of the priorities of the MEDIA Sub-programme shall be to:

- increase the capacity of audiovisual operators to develop European audiovisual works with a potential to circulate in the Union and beyond and to facilitate European and international co-production, including with television broadcasters.

The MEDIA Sub-programme shall provide support for:

- activities helping European and international co-production partners to meet and/or provide indirect support for audiovisual works co-produced by supporting international co-production funds based in a country participating in the Programme.

2.2. Targeted projects

The targeted operators are international co-production funds based in a country participating in the MEDIA Sub-programme, having as their main activity the support of international co-productions and having been active in the field for at least 12 months so that they can demonstrate a track record of successful co-productions.

Those funds will support activities aiming at

- facilitating international co-production and
- strengthening circulation and distribution of audiovisual works supported at the production stage.

4. **BUDGET AVAILABLE**

The total budget available for the co-financing of actions under this scheme is estimated at EUR 1.5M for 2015. This amount is subject to the availability of the funds after the adoption of the budget for 2015 by the budgetary authority.

The amount of the financial contribution to be awarded will be determined within the limits of the available budgetary resources and with regards to the cost and nature of each proposed action.

The financial contribution of the Union cannot exceed 80% of the total eligible costs of the action. The maximum contribution per selected applicant under these guidelines is EUR 400,000.

The Agency reserves the right not to distribute all the funds available.

5. **ADMISSIBILITY REQUIREMENTS**

Applications shall comply with the following requirements:

- they must be sent no later than the deadline for submitting applications referred to in section 3 of the present guidelines;
- they must be submitted in writing using the online application form and the official annexes provided;
- they must be drafted in one of the EU official languages, preferably in English or French.

The application form must be accompanied by a balanced budget and all the other documents referred to in the application form. Failure to comply with those requirements will lead to the rejection of the application.

In order to submit an application, applicants and partners must provide their Participant Identification Code (PIC) in the application form. The PIC can be obtained by registering the organisation in the Unique Registration Facility (URF) hosted in the Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal. The Unique Registration Facility is a tool shared by other services of
the European Commission. If an applicant or partner already has a PIC that has been used for other programmes (for example the Research programmes), the same PIC is valid for the present call for proposals.

The Participant Portal allows applicants and partners, to upload or update the information related to their legal status and attach the requested legal and financial documents (see section 14.2. for more information).

6. ELIGIBILITY CRITERIA

Applications which comply with the following criteria will be subject of an in-depth evaluation.

6.1. Eligible applicants

This scheme is open to entities established in one of the countries participating in the MEDIA Sub-programme (see below) and owned directly or by majority participation, by nationals from such countries.

Applicant must be a co-production fund that has been legally constituted and active for at least 12 months, having as its main activity the support of international co-productions.

Applications from legal entities established in one of the following countries are eligible as long as all conditions referred to in Article 8 of the Regulation establishing the Creative Europe Programme are met:

- EU Member States;
- Acceding countries, candidate countries and potential candidates benefiting from a pre-accession strategy, in accordance with the general principles and general terms and conditions for the participation of those countries in Union programmes established in the respective Framework Agreements, Association Council Decisions or similar agreements;
- EFTA countries which are members of the EEA, in accordance with the provisions of the EEA Agreement;
- The Swiss Confederation, on the basis of a bilateral agreement to be concluded with that country;
- Countries covered by the European Neighbourhood Policy in accordance with the procedures established with those countries following the framework agreements providing for their participation in Union programmes.

The Programme shall also be open for bilateral or multilateral cooperation actions targeted at selected countries or regions on the basis of additional appropriations paid by, and specific arrangements to be agreed upon with, those countries or regions.

The Programme shall permit cooperation and joint actions with countries not participating in the Programme and with international organisations which are active in the cultural and creative sectors such as UNESCO, the Council of Europe, the Organisation for Economic Co-operation and Development or the World Intellectual Property Organisation on the basis of joint contributions for the realisation of the Programme's objectives.

Proposals from applicants in non EU countries may be selected, provided that, on the date of the award decision, agreements have been signed setting out the arrangements for the participation of those countries in the programme established by the Regulation referred to above.
(Updated list of countries that fulfil the conditions referred to in Article 8 of the Regulation and that the Commission has started negotiations with can be found on the following link:

Natural persons may **not** apply for a grant.

---

2 The structure of the co-production shall be attested by a duly signed co-production agreement. For the purposes of the project selection procedure, a deal memo may exceptionally be accepted provided it contains detailed provisions on the following essential aspects of the co-production:

The action must start on 01/09/2015 and end on 31/12/2017. The maximum duration of the action is 28 months. The selection process of the projects supported by the fund must be completed at the latest before the 31/12/2016 in order to finalize the support within the period of the action.

However, if after the signing of the agreement and the start of the action it becomes impossible for the beneficiary, for fully justified reasons beyond its control, to complete the action within the scheduled period, an extension to the eligibility period may be granted. A maximum extension of 6 additional months will be granted, if requested before the deadline specified in the agreement. The maximum duration will then be 34 months.

Only applications that fulfil the eligibility criteria will be considered for a grant. If an application is deemed ineligible, a letter indicating the reasons will be sent to the applicant.

In the event of a grant awarded by the Agency, a grant agreement drawn up in euro and detailing the conditions and level of funding, will be sent to the beneficiary, as well as the procedure in view to formalise the obligations of the parties. This agreement will be a mono-beneficiary agreement.

The 2 copies of the original agreement must be signed first by the beneficiary and returned to the Agency immediately. The Agency will sign them last.

Please note that the award of a grant does not establish an entitlement for subsequent years.

11. FINANCIAL PROVISIONS

11.1. General Principles

a) Non-cumulative award

An action may only receive one grant from the EU budget.

In no circumstances shall the same costs be financed twice by the Union budget. To ensure this, applicants shall indicate in the application form the sources and amounts of Union funding received or applied for the same action or part of the action or for its functioning
during the same financial year as well as any other funding received or applied for the same action.

b) **Non-retroactivity**

No grant may be awarded retrospectively for actions already completed.

A grant may be awarded for an action which has already begun only where the applicant can demonstrate the need to start the action before the grant agreement is signed.

In such cases, costs eligible for financing may not have been incurred prior to the date of submission of the grant application.

c) **Co-financing**

Co-financing means that the resources which are necessary to carry out the action may not be entirely provided by the EU grant.

Co-financing of the action may take the form of:

- the beneficiary's own resources;
- income generated by the action;
- financial contributions from third parties.

d) **Balanced budget**

The estimated budget of the action is to be attached to the application form. It must have revenue and expenditure in balance.

The budget must be drawn up in euros.

Applicants which foresee that costs will not be incurred in euros shall use the exchange rate published on the Infor-euro website available at: [http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm](http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm), on the date of the publication of this call for proposals.

e) **Implementation contracts/subcontracting**

Where the implementation of the action requires the award of procurement contracts (implementation contracts), the beneficiary must award the contract to the bid offering best value for money or the lowest price (as appropriate), avoiding conflicts of interests and retain the documentation for the event of an audit.

Entities acting in their capacity of contracting authorities in the meaning of Directive 2004/18/EC³ or contracting entities in the meaning of Directive 2004/17/EC⁴ shall abide by the applicable national public procurement rules.

Sub-contracting, i.e. the externalisation of specific tasks or activities which form part of the action as described in the proposal and which cannot be performed by the beneficiary itself must satisfy the conditions applicable to any implementation contract (as specified above) and in addition to them the following conditions:

- it may only cover the implementation of a limited part of the action;

---
³ Directive 2004/18/EC on the coordination of procedures for the award of public work contracts, public supply contracts and public service contracts.
⁴ Directive 2004/17/EC coordinating the procurement procedures of entities operating in the water, energy, transport and postal services sectors.
- it must be justified having regard to the nature of the action and what is necessary for its implementation;
- it must be clearly stated in the proposal or prior written authorisation from the Agency must be obtained.

f) Financial support to third parties

The applications may envisage provision of financial support to third parties. In such case the applications must include:
- an exhaustive list of the types of activities for which a third party may receive financial support;
- the definition of the persons or categories of persons which may receive financial support;
- the criteria for awarding financial support;
- the maximum amount to be granted to each third party and the criteria for determining it.

The amount of financial support per third party must not exceed EUR 60,000.

11.2. Funding forms

The grants financed through reimbursement of eligible costs in combination with flat rate covering overheads are calculated on the basis of a detailed estimated budget, indicating clearly the costs that are eligible for EU funding.

➢ Maximum amount requested

The EU grant is limited to a maximum co-financing rate of 80% of eligible costs.

Consequently, part of the total eligible expenses entered in the estimated budget must be financed from sources other than the Union grant.

The grant amount may neither exceed the eligible costs nor the amount requested. Amounts are indicated in euros.

Acceptance of an application by the Executive Agency does not constitute an undertaking to award a grant equal to the amount requested by the beneficiary.

➢ Eligible costs

Eligible costs are costs actually incurred by the beneficiary of a grant which meet the following criteria:
- they are incurred during the duration of the action as specified in the grant agreement, with the exception of costs relating to final reports and certificates. The period of eligibility of costs will start on 01/09/2015 and ends on 31/12/2017. Costs incurred before 01/09/2015 will not be considered;
- they are indicated in the estimated overall budget of the action;
- they are incurred in connexion with the action which is the subject of the grant and are necessary for the implementation of the action;
- they are identifiable and verifiable, in particular being recorded in the accounting records of the beneficiary and determined according to the applicable accounting standards of the country where the beneficiary is established and according to the usual cost-accounting practices of the beneficiary;
- they comply with the requirements of applicable tax and social legislation;
- they are reasonable, justified, and comply with the requirements of sound financial management, in particular regarding economy and efficiency.

The beneficiary's internal accounting and auditing procedures must permit direct reconciliation of the costs and revenues declared in respect of the action with the corresponding accounting statements and supporting documents.

**Eligible direct costs:**

The eligible direct costs for the action are those costs which, with due regard for the conditions of eligibility set out above, are identifiable as specific costs directly linked to the performance of the action and which can therefore be booked to it directly, such as:

- third party's production of feature films, animations and documentaries of a minimum length of 60 minutes intended primarily for cinema release;

- implementation of concrete distribution strategy aiming at the better circulation of the supported third party's works. The film should be distributed in at least 3 territories out of which at least one participating in the MEDIA Sub-programme and at least one third country. Please note that no distribution support can be awarded to an entity established outside the countries participating in the MEDIA sub-programme (see section 6.1).

- other costs related to the implementation of the action such as personnel costs, promotion costs or expert costs for the selection committees. These costs shall be limited to 15% of the total eligible costs.

**Eligible indirect costs (overheads):**

- a flat-rate amount, equal to 7% of the eligible direct costs of the action, is eligible under indirect costs, representing the beneficiary's general administrative costs which can be regarded as chargeable to the action.

Indirect costs may not include costs entered under another budget heading.

Applicants’s attention is drawn to the fact that in the case of organisations receiving an operating grant, indirect costs are no longer eligible under specific actions.

- - Ineligible costs

The following costs shall not be considered eligible:

- travel and subsistence of staff;
- return on capital;
- debt and debt service charges;
- provisions for losses or debts;
- interest owed;
- doubtful debts;
- exchange losses;
- costs of transfer from the Agency charged by the bank of the beneficiary;
- costs declared by the beneficiary and covered by another action or work programme receiving an European Union grant. In particular, indirect costs shall not be eligible under a grant for an action awarded to the beneficiary who already receives an operating grant financed from the Union budget during the period in question;

- excessive or reckless expenditure;

- contributions in kind.

➤ **Calculation of the final grant amount – Supporting documents**

The final amount of the grant to be awarded to the beneficiary is established after completion of the action, upon approval of the request for payment containing the following documents:

- a final report providing details of the implementation and results of the action;

- the final financial statement of costs actually incurred.

The beneficiary is also required to submit, in support of the final payment, a “Report of Factual Findings on the Final Financial Report - Type I” produced by an approved auditor or in case of public bodies, by a competent and independent public officer.

The procedure and the format to be followed by an approved auditor or in case of public bodies, by a competent and independent public officer, are detailed in the following “Guidance Notes”:

The use of the report format set by the “Guidance Notes” is compulsory.

If the eligible costs actually incurred by the beneficiary are lower than anticipated, the Agency will apply the rate of co-financing stated in the grant agreement to the expenditure actually incurred.

In the event of non-execution or clearly inadequate execution of an activity planned in the application attached to the funding agreement, the final grant will be reduced accordingly.

**Non-profit rule**

EU grants may not have the purpose or effect of producing a profit within the framework of the action of the beneficiary. **Profit shall be defined as a surplus of receipts over the eligible costs incurred by the beneficiary, when the request is made for payment of the balance.** In this respect, where a profit is made, the Agency shall be entitled to recover a percentage of the profit corresponding to the Union contribution to the eligible costs actually incurred by the beneficiary to carry out the action.

**11.3. Payment arrangements**

A pre-financing payment corresponding to 70% of the grant amount will be transferred to the beneficiary within 30 days either of the date when the last of the two parties signs the agreement, provided all requested guarantees have been received.

The Agency will establish the amount of the final payment to be made to the beneficiary on the basis of the calculation of the final grant amount (see section 11.2 above). If the total of earlier payments is higher than the final grant amount, the beneficiary will be required to reimburse the amount paid in excess by the Commission through a recovery order.
11.4. Pre-financing guarantee

In the event that the applicant's financial capacity is not satisfactory, a pre-financing guarantee for up to the same amount as the pre-financing may be requested in order to limit the financial risks linked to the pre-financing payment.

The financial guarantee, in euro, shall be provided by an approved bank or financial institution established in one of the Member State of the European Union. When the beneficiary is established in a third country, the authorising officer responsible may agree that a bank or financial institution established in that third country may provide the guarantee if he considers that the bank or financial institution offers equivalent security and characteristics as those offered by a bank or financial institution established in a Member State. Amounts blocked in bank accounts shall not be accepted as financial guarantees.

The guarantee shall be released as the pre-financing is gradually cleared against interim payments or payments of balances to the beneficiary, in accordance with the conditions laid down in the grant agreement/decision.

12. PUBLICITY

12.1. By the beneficiaries

Beneficiaries must clearly acknowledge the European Union’s contribution in all publications or in conjunction with activities for which the grant is used.

In this respect, beneficiaries are required to give prominence to the name and logo of the programme on all their publications, posters, programmes and other products realised under the co-financed project.

To do this they must use the text, the logo and the disclaimer available at http://eacea.ec.europa.eu/about/eacea_logos_en.php, which will be provided by the Agency.

If this requirement is not fully complied with, the beneficiary’s grant may be reduced in accordance with the provisions of the grant agreement.

12.2. By the Agency and/or the Commission

With the exception of scholarships paid to natural persons and other direct support paid to natural persons in most need, all information relating to grants awarded in the course of a financial year shall be published on the Internet site of the European Union institutions no later than the 30 June of the year following the financial year in which the grants were awarded.

The Agency and/or the Commission will publish the following information:

− name of the beneficiary;
− locality of the beneficiary;
− the amount awarded;
− nature and purpose of the grant.

Upon a reasoned and duly substantiated request by the beneficiary, the publication shall be waived if such disclosure risks threatening the rights and freedoms of individuals concerned as protected by the Charter of Fundamental Rights of the European Union or harm the commercial interests of the beneficiaries.
12.3. Communication and dissemination

To maximise impact, projects should have a clear and strong strategy for communication and dissemination of their activities and results, and applicants must provide enough time and resources to communicate and interact appropriately with peers, audiences and local communities as appropriate.

Beneficiaries will be required as stipulated in the grant agreement to produce a public summary/report in English providing information about their work and the results of their project. The public summary/report must be included in the final report submitted to the Agency. The report may be used by the Commission to provide information on the results of projects.

The Commission together with the Agency may identify good practices and prepare relevant dissemination materials to be shared within and across all participating countries and beyond.

Data and results from projects will be made freely available to be used by stakeholders, policy makers and others in a wide range of ways.

Beneficiaries may be required to attend and to participate in events organised by the European Commission or the Agency to share their experience with other participants and/or policy makers.

13. DATA PROTECTION

All personal data (such as names, addresses, CVs, etc.) will be processed in accordance with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the European Community institutions and bodies and on the free movement of such data.\(^5\)

Unless marked as optional, the applicant's replies to the questions in the application form are necessary to evaluate and further process the grant application in accordance with the specifications of the call for proposals. Personal data will be processed solely for that purpose by the department or Unit responsible for the Union grant programme concerned (entity acting as data controller). Personal data may be transferred on a need to know basis to third parties involved in the evaluation of applications or in the grant management procedure, without prejudice of transfer to the bodies in charge of monitoring and inspection tasks in accordance with European Union law. 14. PROCEDURE FOR THE SUBMISSION OF PROPOSALS

14.1. Publication

The call for proposals is being published on the Internet site of the EACEA at the following address: http://eacea.ec.europa.eu/creative-europe/funding/international-coproduction-funds-2015_en

14.2. Registration in the Participant Portal

Before submitting an electronic application, applicants and partners will have to register their organisation in the Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal and receive a Participant Identification Code (PIC). The PIC will be requested in the application form.

The Participant Portal is the tool through which all legal and financial information related to organisations will be managed. Information on how to register can be found in the portal under the following address:

http://ec.europa.eu/education/participants/portal

The tool also allows applicants to upload different documents related to their organisation. These documents have to be uploaded once and will not be requested again for subsequent applications by the same organisation.

Details on the supporting document that need to be uploaded in the portal can be found on the following link (under the Heading "How to apply"):

14.3. Submission of the grant application

Proposals must be submitted in accordance with the admissibility requirements set out under section 5.

No modifications to the application are allowed once the deadline for submission has elapsed. However, if there is a need to clarify certain aspects or for the correction of clerical mistakes, the Agency may contact the applicant for this purpose during the evaluation process.

Applicants submitting projects for different actions should provide separate applications for each action.

All applicants will be informed in writing about the results of the selection process.

An online application system has been set up. Grant applications must be drawn up in one of the official EU languages, using the online form (eForm) specifically designed for this purpose. To facilitate the assessment of the application, additional documents relevant to the assessment of the project should be submitted preferably in English or French.

The eForm can be obtained on the Internet at the following address: https://eacea.ec.europa.eu/PPMT/

Proposals must be submitted by the deadline mentioned in the call for proposals and in Section "3. Timetable" of the present Guidelines before 12:00 CET/CEST (Midday, Brussels time), using the online application form.
Applicants should note that no applications submitted after 12.00 CET/CEST on the deadline will be accepted. They are very strongly encouraged not to wait until the final day to submit their application.

Please note that no other method of submission of an application will be accepted. Applications submitted in any other way will be automatically rejected. No exceptions will be made.

Make sure that you have officially submitted your electronic application form and that you have received an e-mail acknowledging receipt of your submission with a project reference number.

Applicants shall ensure that all the documents requested and mentioned in the eForm are provided electronically.

Only applications that fulfil the eligibility criteria will be considered for a grant. If an application is deemed ineligible, a letter indicating the reasons will be sent to the applicant.

14.4. Evaluation procedure

The eligible proposals will be ranked according to the award criteria defined and weighted in section 9 of the present Guidelines. Within the limit of the available budget, applications obtaining the highest scores will be selected.

The assessment is made solely on the basis of the documents sent by the relevant deadline. Nevertheless, the Agency reserves the right to request additional information from the applicant.

14.5. Award decision

Only after completion of the procedure mentioned above, is the selection process finalised and the award decision adopted by the Agency.

Applicants will be informed of the results of the selection within two weeks of the date of adoption of the award decision.

Unsuccessful applicants will receive a letter stating the reasons why their application was not selected.

Once applicants informed the list of selected proposals will be published on the websites of the Commission/Agency: http://eacea.ec.europa.eu/creative-europe/selection-results_en
