The applicant must submit the application in the following way:

**STEP 1 – PARTICIPANT IDENTIFICATION CODE (PIC)**

In order to submit an application, applicants must provide their Participant Identification Code (PIC) in the application form. The PIC must be obtained by registering the organisation in the Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal: [https://ec.europa.eu/education/participants/portal](https://ec.europa.eu/education/participants/portal)

The Participant Portal is the tool through which all legal and financial information related to organisations will be managed. The tool also allows applicants to upload different documents related to their organisation. These documents have to be uploaded once and will not be requested again for subsequent applications by the same organisation.

**The documents to be uploaded at this stage are:**

1. The **legal entity form** duly signed by the person authorised to enter into legally binding commitments on behalf of the applicant (to be downloaded from [http://ec.europa.eu/budget/contracts_grants/info_contracts/legal_entities/legal_entities_en.cfm](http://ec.europa.eu/budget/contracts_grants/info_contracts/legal_entities/legal_entities_en.cfm))

2. For private companies: extract from the official gazette/trade register, and certificate of liability to VAT (if, as in certain countries, the trade register number and VAT number are identical, only one of these documents is required).
   
   For public entities: legal resolution or decision established in respect of the public company, or other official document established for the public-law entity.

3. The financial statements (including the balance sheet, the profit and loss accounts and the annexes) of the last two financial years for which the accounts have been closed.

4. An audit report produced by an approved external auditor certifying the accounts for the two last financial years available.

At the end of the registration process you will receive the Participant Identification Code (PIC CODE). This code is unique for each company and will be requested in the application form.

If after your registration any information related to your company changes you must update your company details in the portal and upload the relevant new documents.

Each partner intended to be a co-beneficiary of a multi-beneficiary agreement must also obtain a PIC and will have to upload the documents mentioned above under points 1 and 2.
