EACEA/24/2019: Support to Cinema Networks.

WARNING:

The present call for proposals is subject to:

- the availability of the funds after the adoption of the budget for 2020 by the budgetary authority

1. OBJECTIVES AND DESCRIPTION

This notice is based on the Regulation of the European Parliament and of the Council on establishing the Creative Europe Programme (2014-2020)\(^1\).

Within the specific objective of promoting transnational circulation, one of the priorities of the MEDIA Sub-programme is the following:

- Operating transnationally and internationally and promoting transnational circulation and mobility.

The MEDIA Sub-programme shall provide support for the following:

- Create and operate a network of cinemas.

2. ELIGIBLE APPLICANTS

The scheme is open to cinema networks. The cinema network is a group of European independent cinemas developing, through the medium of a legally constituted co-ordination entity, joint activities in the area of screening and promoting European films. In particular, this coordination entity shall ensure the operation of a communication and information system between the cinemas. To be eligible, the cinema network must represent at least 100 cinemas situated in at least 20 countries participating in the MEDIA Sub-programme.

A European independent cinema is a company, association or organisation with a single or several screens based in countries participating in the MEDIA Sub-programme and which operates under the same company name. The screening of films should be the principal activity of the participant or division of the participant's organisation.

The network and the participating cinemas must be owned and continue to be owned, whether directly or by majority participation, by nationals of countries participating to the MEDIA Sub-programme and registered in one of these countries.

Only these European independent cinemas shall be eligible as participants of the network:

- They are first run cinemas (programming European films in first run, within a maximum period of twelve months after the first national release). Those cinemas which dedicate a maximum of 30% of their screenings to retrospectives or re-releases may be eligible;
- That have been open to the public for a minimum of 6 months;
- That have a ticketing and entry declaration system;
- That have at least one screen and 70 seats;
- That had at least 300 screenings per year for single-screen cinemas and 520 screenings per year for multi-screen cinemas (cinemas in operation for a period of at least 6 months per year), and at least 30 screenings per month for summer / open air cinemas (cinemas in operation for less than 6 months per year);
- That had at least 20,000 spectators in the previous twelve months.

In order to meet, as a group, the above eligibility criteria, different cinemas may be allowed to pool their results. The circumstances under which this may occur must be clearly defined by the applicant in its application and in the accompanying draft guidelines.

All applicants must be registered in one of the countries participating in the MEDIA Sub-programme and owned directly or by majority participation, by nationals from such countries.

When a company is publicly listed, the location of the stock exchange will be taken into account to determine its nationality.

Only applications from legal entities established in one of the following countries are eligible as long as all conditions referred to in Article 8 of the Regulation establishing the Creative Europe Programme are met:

- EU Member States and overseas countries and territories which are eligible to participate in the Programme pursuant to Article 58 of Council Decision 2001/822/EC;
- Acceding countries, candidate countries and potential candidates benefiting from a pre-accession strategy, in accordance with the general principles and general terms and conditions for the participation of those countries in European Union programmes established in the respective Framework Agreements, Association Council Decisions or similar agreements;

- The Swiss Confederation, on the basis of a bilateral agreement to be concluded with that country;
- Countries covered by the European Neighbourhood Policy in accordance with the procedures established with those countries following the framework agreements providing for their participation in European Union programmes.

The Programme shall also be open for bilateral or multilateral cooperation actions targeted at selected countries or regions on the basis of additional appropriations paid by, and specific arrangements to be agreed upon with, those countries or regions.
The Programme shall permit cooperation and joint actions with countries not participating in the Programme and with international organisations which are active in the cultural and creative sectors such as UNESCO, the Council of Europe, the Organisation for Economic Cooperation and Development or the World Intellectual Property Organisation on the basis of joint contributions for the realisation of the Programme's objectives.

The Agency may select proposals from applicants in non EU countries, provided that, on the date of the award decision, agreements have been signed setting out the arrangements for the participation of those countries in the programme established by the Regulation referred to above.

(Updated list of countries that fulfil the conditions referred to in Article 8 of the Regulation and that the Commission has started negotiations with can be found on the following link: http://eacea.ec.europa.eu/creative-europe/library/eligibility-organisations-non-eu-countries_en )
